Written or authorized electronic/telephonic notice of claim must be given to Us: within 31 days after a Covered Loss occurs or begins; or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us: at Our Home Office in Houston, Texas; or such other place as We may designate for the purpose; or to Our authorized

agent. Notice should include: the Policyholder's name and policy number; and the Covered Person's name; address; policy; and certificate number.

If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

All decisions made by the Insurance Company in this capacity shall be final and binding on Participants and Beneficiaries of The Plan to the full extent permitted by law.

The Insurance Company has no fiduciary responsibility with respect to the administration of The Plan except as described above. It is understood that the Insurance Company's sole liability to the Plan and to Participants and Beneficiaries under The Plan shall be for the payment of benefits provided under the Policy.

Time of Payment of Claims

We will pay benefits due under the Policy for any loss other than a loss for which the Policy provides any periodic payment within twenty five (25) days of receipt of due written or authorized electronic proof of such loss. in the form of a clean claim where claims are submitted electronically, and within thirty-five (35) days after receipt of due written proof of such loss in the form of clean claim where claims are submitted in paper format. Benefits due under the policies and claims are overdue if not paid within twenty-five (25) days or thirty-five (35) days, whichever is applicable, after We receive a clean claim containing necessary medical information and other information essential for Us to administer preexisting condition, coordination of benefits and subrogation provisions. A "clean claim" means a claim We receive for adjudication and which requires no further information, adjustment or alteration by the provider of the services or the Covered Person in order to be processed and paid by Us. A claim is clean if it has no defect or impropriety, including any lack of substantiating documentation, or particular circumstance requiring special treatment that prevents timely payment from being made on the claim under this provision. A clean claim includes resubmitted claims with previously identified deficiencies corrected.

A clean claim does not include any of the following:

- a. A duplicate claim, which means an original claim and its duplicate when the duplicate is filed within thirty (30) days of the original claim;
- b. Claims which are submitted fraudulently or that are based upon material misrepresentations;
- c. Claims that require information essential for the insurer to administer preexisting condition, coordination of benefits or subrogation provisions; or
- d. Claims submitted by a provider more than thirty (30) days after the date of service; if the provider does not submit the claim on behalf of the insured, then a claim is not clean when submitted more than thirty (30) days after the date of billing by the provider to the insured.

Not later than twenty-five (25) days after the date We actually receive an electronic claim, We will pay the appropriate benefit in full, or any portion of the claim that is clean, and notify the provider (where the claim is owed to the provider) or the Covered Person (where the claim is owed to the Covered Person) of the reasons why the claim or portion thereof is not clean and will not be paid and what substantiating documentation and information is required to adjudicate the claim as clean. Not later than thirty-five (35) days after the date We actually receive a paper claim, We will pay the appropriate benefit in full, or any portion of the claim that is clean, and notify the provider (where the claim is owed to the provider) or the Covered Person (where the claim is owed to the Covered Person) of the reasons why the claim or portion thereof is not clean and will not be paid and what substantiating documentation and information is required to adjudicate the claim as clean. Any claim or portion thereof resubmitted with the supporting documentation and information We requested will be paid within twenty (20) days after receipt.

For purposes of this provision, the term "pay" means that We will either send cash or a cash equivalent by United States mail, or send cash or a cash equivalent by other means such as electronic transfer, in full satisfaction of the appropriate benefit due the provider (where the claim is owed to the provider) or the Covered Person (where the claim is owed to the Covered Person). To calculate the extent to which any benefits are overdue, payment shall be treated as made on the date a draft or other valid instrument was placed in the United States mail to the last known address of the provider (where the claim is owed to the provider) or the Covered Person (where the claim is owed to the Covered Person) in a properly addressed, postpaid envelope, or, if not so posted, or not sent by United States mail, on the date of delivery of payment to the provider or Covered Person.

Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid within thirty (30) days after receipt of due written proof satisfactory to Us.

If the claim is not denied for valid and proper reasons by the end of the applicable time period, We will pay the provider (where the claim is owed to the provider) or the Covered Person (where the claim is owed to the Covered Person) interest on accrued benefits at the rate of one and one-half percent (1- 1/2 %) per month accruing from the day after payment was due on the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated. Whenever interest due pursuant to this provision is less than One Dollar (\$1.00), such amount shall be credited to the account of the person or entity to whom such amount is owed.

In the event We fail to pay benefits when due, the person entitled to such benefits may bring action to recover such benefits, any interest which may accrue and any other damages as may be allowable by law.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. If no such designation or provision is then effective, benefits will be payable to the Covered Person's estate. Any other accrued indemnities unpaid at the Covered Person's death may, at Our option, be paid either to such beneficiary or to such estate. All other proceeds payable under the Policy, unless otherwise stated, will be payable to the covered Member.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

Physical Examination

We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending.

Legal Actions

No action at law or in equity may be brought to recover under the Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by the Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Beneficiary

The beneficiary is the person or persons the Member names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by the Policy. A separate beneficiary may be designated to receive any Accidental Death Benefit payable at the death of the Member's Spouse or Dependent Child.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Member has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Member dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

1. Spouse;
2. Child or Children;
3. mother or father;
4. sisters or brothers;
5. estate of the Member.

Recovery of Overpayment

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods:

1. A request for lump sum payment of the overpaid amount;
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Covered Person dies, We may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

Premiums

All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for the Policy will be based on the rates set forth in the *Schedule of Benefits*, the plan and amounts of insurance in effect.

Changes in Premium Rates

We may change the premium rates from time to time with at least 60 days advance written notice to the Policyholder. No change in rates will be made until 12 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 6-month period. However, We reserve the right to change rates at any time if any of the following events take place:

1. the terms of the Policy change;
2. the terms of the Policyholder's participation change;
3. a division, subsidiary, affiliated company or eligible class is added or deleted from the Policy;
4. there is a change in the factors bearing on the risk assumed;
5. any federal or state law or regulation is amended to the extent it affects Our benefit obligation.

Payment of Premium

The first premium is due on the Policy Effective Date. Thereafter, premiums are due on the Premium Due Dates agreed upon between Us and the Policyholder.

If any premium is not paid on the Premium Due Date when due, the Policy will be cancelled as of such Premium Due Date, except as provided in the Policy Grace Period section.

Grace Period

1. Policy

A Policy Grace Period of 31 days will be granted for payment of required premiums under the Policy after the first Premium. The Policy will be in force during the Policy Grace Period. The Policyholder is liable to Us for any unpaid premium for the time the Policy was in force.

Application

The Covered Person will not be bound by any statement made in an application for a policy unless a copy of such application is attached to or endorsed on the policy when issued as a part thereof. If any such policy delivered or issued for delivery to any person in this state is reinstated or renewed, and the Covered Person or the beneficiary or assignee of such policy makes a written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, We will, within fifteen (15) days after the receipt of such request at Our home office or any branch office, deliver or mail to the person making such request a copy of such application. If such copy is not delivered or mailed, We will be precluded from introducing the application as evidence in any action or proceeding based upon or involving such policy or its reinstatement or renewal.

No alteration of any written application for any such policy will be made by any person other than the applicant without his written consent, except that We may make insertions, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.

The falsity of any statement in the application for any policy may not bar the right to recovery thereunder unless such false statement materially affected either Our acceptance of the risk or the hazard We assumed.

GENERAL PROVISIONS

Entire Contract; Changes

The Policy, including: the endorsements; amendments; and any attached papers; constitutes the entire contract of insurance. No change in the Policy will be valid until: approved by one of Our executive officers; and endorsed on or attached to the Policy. No agent has authority to change the Policy or to waive any of its provisions.

Misstatement of Fact

If the Covered Person has misstated any fact, all amounts payable under the Policy will be such as the premium paid would have purchased had such fact been correctly stated.

Certificates

Where required by law, We will provide a certificate of insurance for delivery to the Covered Person. Each certificate will list: the benefits; conditions; and limits of the Policy. It will state to whom benefits will be paid.

Multiple Certificates

The Covered Person may have in force only one certificate at a time under the Policy. If at any time the Covered Person has been issued more than one certificate, then only the largest shall be in effect. We will refund premiums paid for the others for any period of time that more than one certificate was issued.

Assignment

The rights and benefits under the Policy may not be assigned and any attempt to assign will be void.

Incontestability

1. Of The Policy or Participation Under The Policy

All statements made by the Policyholder to obtain the Policy are considered representations and not warranties. No statement will be used: to deny or reduce benefits; or be used as a defense to a claim; or to deny the validity of the Policy or of participation under the Policy; unless a copy of the instrument containing the statement is, or has been, furnished to the Policyholder.

After two years from the Policy Effective Date, no such statement will cause the Policy to be contested except for fraud.

2. Of A Covered Person's Insurance

All statements made by a Covered Person are considered representations and not warranties. No statement will be used: to deny or reduce benefits; or be used as a defense to a claim; unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After two years from: the Covered Person's effective date of insurance; or from the effective date of increased benefits; no such statement will cause insurance or the increased benefits to be contested except for fraud.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

Policy Termination

We may terminate coverage on or after the first anniversary of the policy effective date. The Policyholder may terminate coverage on any premium due date. Written or authorized electronic notice must be given at least 31 days prior to such premium due date. Failure by the Policyholder to pay premiums when due or within the grace period shall be deemed notice to Us to terminate coverage at the end of the period for which premium was paid.

Termination will not affect a claim for a Covered Loss that is the result, directly and independently of all other causes, of a Covered Accident that occurs while coverage was in effect.

Reinstatement

The Policy may be reinstated if it lapsed for nonpayment of premium. Our subsequent acceptance of premium, without requiring an application for reinstatement, will reinstate the policy. However, if We require an application for reinstatement and issue a conditional receipt for the premium tendered, the policy will be reinstated upon Our approval of such application or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless We previously notified the Policyholder in writing of Our disapproval of such application. The reinstated policy will cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten (10) days after such date. In all other respects the Policyholder and We will have the same rights as We had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed on or attached to the policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement will be applied to a period for which premium was not previously paid, but not to any period more than 60 days prior to the date of reinstatement.

Clerical Error

A Covered Person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such error or delay is found, We will adjust the premium fairly.

Conformity with Statutes

Any provisions in conflict with the requirements of any state or federal law that apply to the Policy are automatically changed to satisfy the minimum requirements of such laws.

Policy Changes

We may agree with the Policyholder to modify a plan of benefits without the Covered Person's consent.

Workers' Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

Examination of the Policy

This Policy will be available for inspection at the Policyholder's office during regular business hours.

Examination of Records

We will be permitted to examine all of the Policyholder's records relating to this Policy. Examination may occur at any reasonable time while the Policy is in force; or it may occur:

1. at any time for two years after the expiration of this Policy; or, if later,
2. upon the final adjustment and settlement of all Policy claims.

The Policyholder is acting as an agent of the Covered Person for transactions relating to this insurance. The actions of the Policyholder will not be considered Our actions.

If the loss results in death, benefits will only be paid under the Loss of Life benefit provision. Any Loss of Life benefit will be reduced by any paid or payable Accidental Dismemberment benefit. However, if such Accidental Dismemberment benefit equals or exceeds the Loss of Life benefit, no additional benefit will be paid.

EXPOSURE AND DISAPPEARANCE COVERAGE

Benefits for Accidental Death and Dismemberment, as shown in the *Schedule of Covered Losses*, will be payable if a Covered Person suffers a Covered Loss which results directly and independently of all other causes from unavoidable exposure to the elements following a Covered Accident.

If the Covered Person disappears and is not found within one year from the date of: the wrecking; sinking; or disappearance of the conveyance in which the Covered Person was riding in the course of a trip which would otherwise be covered under the Policy, it will be presumed that the Covered Person's death resulted directly and independently of all other causes from a Covered Accident.

NOTICE OF PROTECTION PROVIDED BY MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Mississippi Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created by Mississippi law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurer becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Mississippi law, with funding from assessments paid by other insurance companies.

The maximum amount of protection with respect to any one (1) life, regardless of the number of policies or contracts, is:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in net cash surrender and net cash withdrawal values

Health Insurance

- \$500,000 in basic hospital, medical and surgical or major medical benefits
- \$300,000 in disability benefits
- \$100,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$100,000 in net cash surrender and net cash withdrawal values

The Association may not cover this policy. If coverage is provided, it will be subject to substantial limitations and exclusions, and require continued residency in Mississippi. You should not rely on coverage by the Association when selecting an insurer.

To learn more about the above protections, limitations and exclusions, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mslifeqa.org, or contact:
