

Gap CI	Plan Costs
Individual	\$40
Individual+1	\$60
Family	\$80

Why Gap CI PlanSM

Be prepared for the future.

Fight back against out-of-pocket expenses.

While comprehensive major medical health insurance plans cover most expenses for critical illness, you could still be out-of-pocket for medical expenses due to health plan deductibles, coinsurance maximums and out-of-network costs if you choose to go to a doctor or provider not in your network. Critical illness insurance helps to offset some of those out-of-pocket costs.

Group Critical Illness Insurance helps with out-of-pocket costs due to the first diagnosis of life-threatening cancer, heart-attack or stroke.¹

The Gap CI PlanSM is a great fit for those reaching middle age, people with a family history of cancer, heart attack or stroke, or those that just want that extra layer of protection for some of their out-of-pocket costs due to being diagnosed with a Critical Illness. Gap CI PlanSM is designed to supplement your comprehensive health insurance plan for additional protection.

THIS IS A LIMITED POLICY. THIS IS NOT COMPREHENSIVE MAJOR MEDICAL INSURANCE.
THIS IS A CRITICAL ILLNESS ONLY POLICY.

¹ Group Critical Illness Insurance is provided by and underwritten by Windsor Life Insurance Company. Covered Critical Illnesses are subject to the definitions, limitations and exclusions of the Policy Certificate. Benefit for Group Critical Illness Insurance ends at 65. Benefits are paid at 10% of the Benefit Maximum if first diagnosis is in the first year from the effective date.

WHO IS UBA

United Business Association

The United Business Association (UBA) is a nationwide membership of small business owners and employees. UBA leverages our purchasing power to secure benefits and discounts that may not be otherwise available on an individual basis. With association group insurance programs, shared business knowledge, business and lifestyle benefits and services and opportunities to network, We are Better Togethersm. Your membership in the United Business Association allows you to access and enroll in association group insurance programs and to apply for association short term medical insurance. Various insurance companies have issued group insurance policies to the United Business Association as the group master policyholder. Product features, additional plans and availability may vary by state.

² Group Critical Illness Insurance is provided by and underwritten by Windsor Life Insurance Company. Covered Critical Illnesses are subject to the definitions, limitations and exclusions of the Policy Certificate. Benefit for Group Critical Illness Insurance ends at 65. Benefits are paid at 10% of the Benefit Maximum if first diagnosis is in the first year from the effective date.

We pay a benefit if a Covered Person is diagnosed as having a covered Critical Illness for the first time and the diagnosis is made while the coverage is in force. We pay this benefit only if the Critical Illness first occurs after the Effective Date of Coverage for that Covered Person and while the Covered Person's coverage under this Group Policy is in force. We pay a Covered Critical Illness benefit only one time, regardless of the subsequent occurrence of the same or different covered Critical Illness for that Covered Person. It is a lump sum benefit. Once the benefit is paid, coverage for that Covered Person under the Master Policy terminates. Claims for benefits shall be administered based on the Policy Certificate. To be considered first diagnosis of a covered critical illness, it must meet the full definition listed in your Policy Certificate. Please view the Policy Certificate to view full definitions, limitations, exclusions and terms of the Policy Certificate.³

Did You Know?

It is estimated there will be 1,688,780 new cancer cases in 2017.⁷

*Stats from: ⁷Cancer Facts and Figures 2017 by the American Cancer Society
downloaded at <https://www.cancer.org>*

Life-Threatening Cancer: Includes only those types of cancer manifested by the presence of a malignant tumor, characterized by the uncontrolled growth and spread of malignant cells that invade tissue, blood or the lymphatic system. As used herein, Leukemia and Hodgkin's Disease (except Stage 1 Hodgkin's Disease) shall be considered Life-Threatening Cancer.⁸

Does not include :

- 1) premalignant tumors or polyps;
- 2) cancer in situ;
- 3) carcinoid of the appendix;
- 4) Stage 0 transitional carcinoma of urinary bladder; or 5) any skin cancers other than malignant melanomas.

Stroke: An acute cerebrovascular accident producing neurological impairment and resulting in paralysis or other measurable objective neurological deficit persisting for at least thirty (30) days.

This definition of Stroke shall specifically exclude transient ischemic attack (mini-stroke), head injury, chronic cerebrovascular insufficiency and reversible ischemic neurological deficits.⁸

Heart Attack: An acute myocardial infarction resulting in the death of a portion of the heart muscle (myocardium) due to a blockage of one or more of the coronary arteries and resulting in the loss of normal function of the heart.⁸
