Generic Drugs have for several decades offered relief from rising prescription drug costs³.

- ✓ With increased availability and utilization of lower cost generic versions of branded drugs, patients now have the tools to find the savings they need.
- ✓ Research shows that generics work just as well as brand name drugs.⁴

Benefit payment is subject to the Policy plan provisions, limitations, exclusions and other provisions within the Certificate. There is no retail copay or coverage for Brand Name Drugs. For more information and complete details of terms, conditions, limitations, and exclusions of coverage, please refer to the Certificate. Coverage may vary and may not be available in all states. A copy of the Certificate is available from the Association upon request. Members present your I.D. card and your prescription to participating pharmacy to receive benefits under your plan. At the time of service, you must pay the copay as required by the plan. Your I.D. card is for identification purposes only and is not a guarantee of coverage.

DISCLAIMERS

If insurance is included in any Gap Plan, it is not basic health insurance or major medical coverage and does not qualify as minimum essential coverage under the Affordable Care Act. You must be a member of United Business Association to access and enroll in any Gap Plan that provides an insured benefit. Various insurance companies, as described, have issued group limited benefit insurance policies to the United Business Association as the group master policyholder. You must purchase UBA Membership in order to purchase this additional plan.
