You may assign payment of benefits by notifying Us in writing on a form acceptable to Us of the assignment. We assume no responsibility for the validity or effect of an assignment.

Governing Jurisdiction and Conformance with Statutes:

This policy is governed by the laws of the jurisdiction in which it is delivered to the Policyholder. The premium will be the difference between the premiums paid and the premiums that would have been paid at the Covered Person's true age. If coverage would not have been provided, We will refund the premiums paid for such insurance on and terminate the insurance, if no benefits have been paid. Benefits payable will be based on the correct age and premium paid.

Physical Examination and Autopsy:

We have the right to have the Covered Person examined by a Physician approved by Us, as often as reasonably necessary while a claim is open. We may also have an autopsy done by a Physician, unless prohibited by law. Any examinations or autopsies that We require will be done at Our expense.

Time Limit on Certain Defenses:

In the absence of fraud, statements made by a Covered Person are deemed representations and not warranties. After two years from the Covered Person's effective date of coverage, no misstatements, except fraudulent misstatements, on the Covered Person's enrollment form may be used to:

- 1) void this coverage; or
- 2) deny or reduce any claim for loss that occurs after the two year period.

If a Covered Person receives an increase in any Benefit Amount, an additional two year time limit period will apply to the increase in benefits only.

Workers' Compensation:

The benefits payable under this policy are not in lieu of and do not affect any requirement for workers' compensation insurance.
