CLAIM PROVISIONS

Notice of Claim

Written or authorized electronic/telephonic notice of claim must be given to Us: within 20 days after a Covered Loss occurs or begins; or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us: at Our Home Office in Houston, Texas; or such other place as We may designate for the purpose; or to Our authorized agent. Notice should include: the Policyholder's name and policy number; and the Covered Person's name; address; policy; and certificate number.

Claim Forms

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in the Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine: whether benefits are payable; or the actual benefit amount due.

Proof of Loss

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If: (a) benefits are payable as periodic payments; and (b) each payment is contingent upon continuing loss; then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

The Plan Administrator of the Policyholder's employee welfare benefit plan (the Plan) has selected the Insurance Company as the Plan fiduciary under federal law for the review of claims for benefits provided by the Policy and for deciding appeals of denied claims. In this role the Insurance Company shall have the authority, in its discretion: to interpret the terms of the Plan documents; to decide questions of eligibility for coverage or benefits under the Plan; and to make any related findings of fact. All decisions made by the Insurance Company in this capacity shall be final and binding on Participants and Beneficiaries of The Plan to the full extent permitted by law.

The Insurance Company has no fiduciary responsibility with respect to the administration of The Plan except as described above. It is understood that the Insurance Company's sole liability to the Plan and to Participants and Beneficiaries under The Plan shall be for the payment of benefits provided under the Policy.

Time of Payment of Claims

We will pay benefits due under the Policy for any loss other than a loss for which the Policy provides any periodic payment within 60 days of receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which the Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

Payment of Claims

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under the Policy, unless otherwise stated, will be payable to the covered Member or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in

good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

No such action will be brought more than three years after the time such written proof of loss must be furnished.

Beneficiary

The beneficiary is the person or persons the Member names or changes on a form executed by him and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by the Policy. A separate beneficiary may be designated to receive any Accidental Death Benefit payable at the death of the Member's Spouse or Dependent Child.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless the Member has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Member dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:

Requirements for reinstatement are: written application of the Policyholder satisfactory to Us; and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to a period for which premium was not previously paid, but not to any period more than 60 days prior to the date of reinstatement.

SUMMARY

**COVERAGE, LIMITATIONS and EXCLUSIONS UNDER
RHODE ISLAND LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT ("Act")**

A resident of Rhode Island who purchases life insurance, annuities, long-term care, or accident and health insurance should know that an insurance company licensed in Rhode Island to write these types of insurance is a member of the Rhode Island Life and Health Insurance Guaranty Association ("Association"). The purpose of the Association is to assure that a policyholder will be protected within the statutory limits, if a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will, within the statutory limits, pay the claims of insured persons who live in this state, and, in some cases, keep coverage in force. However, the protection provided through the Association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

**LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION DISCLAIMER**

The Rhode Island Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is always conditioned on residence in this state. Other conditions may also preclude coverage.

The Life and Health Insurance Guaranty Association will respond to any questions you may have which are not answered by this document. Your insurer and agent are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on availability of coverage under the Life and Health Insurance Guaranty Association when selecting an insurer.

Laws section 27-34.3-1. A brief summary of the Act is provided below. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations or those of the Association under the Act.

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurer would have owed under a policy or contract. Also for any one insured life, no matter how many policies or contracts were in force with the same insurer, the Association will pay no more than:

- \$300,000 in life insurance death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc) covered by the Act: for unallocated annuities that fund government retirement plans under sections 401, 403(b), or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the Association be liable to spend more than \$300,000 in the aggregate per individual except hospital insurance up to \$500,000 per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered.
